

CLIMATE IMPACT PARTNERS

Members like you are making a new reality possible—a reality with cleaner air and water, more land conserved to protect our wildlife and our way of life, and more renewable and sustainable sources of energy to meet the scale and urgency of the climate crisis. A reality with a fair and just voting system and where our elected officials are championing a healthier environment for all.

Your Partnership Prioritizes Climate Action Now

Acting on the climate crisis is MCV's highest priority. The planet is warming faster than we ever thought possible. Maine's wildlife, people, and economy are at risk.

We only have a small window of time to transition to a clean energy future, and the opposition is powerful. We're up against oil and gas industries that are putting their profits ahead of the health of Maine people and our communities.

As a Climate Impact Partner, your support will help build a powerful state-level movement for climate action through education, collaboration, advocacy, and policy. Climate Impact Partners help:

- ✓ **Advance responsibly-sited offshore wind in the Gulf of Maine.** MCV and our partners are championing efforts to build clean offshore wind energy. This is a critical part of Maine's plan to meet ambitious renewable energy goals.
- ✓ **Pass strong state climate policies through the state legislature.** The Environmental Priorities Coalition, which MCV convened more than 20 years ago, continues to work collaboratively to advocate for bold and equitable policy solutions.
- ✓ **Hold elected officials accountable for their votes.** Each year, MCV publishes the Environmental Scorecard, which grades legislators on their votes on climate, environmental, and democracy bills, and gives you the information you need to elect conservation champions.
- ✓ **Protect voting rights and strengthen our democracy.** MCV works for a fair and just voting system – one where the voting booth is equally accessible to all eligible Maine voters.
- ✓ **Uplift an ever-expanding community of activists and allies.** MCV elevates the voices of thousands of Mainers to safeguard our environment and rise to the challenges of climate change.

Ongoing Success Needs Partners Like You

Maine's protected environment and clean energy future rely on a healthy democracy.

That is why MCV focuses on:

- ✓ Protecting voting rights.
- ✓ Electing climate and democracy champions.
- ✓ Passing critical legislation.
- ✓ Holding policy makers accountable for their votes.
- ✓ Partnering with communities most affected by pollution and climate change.

Collectively, we are working for a more equitable and sustainable Maine. The ongoing success of this work is only possible through your partnership.

Be Part of Something Bigger

As a Climate Impact Partner, you join with almost 100 other committed supporters whose collective power is enormous. With an annual gift of \$1,000 or more, Climate Impact Partners help secure clean air, water, and land, a healthy democracy, and a sustainable and just climate future for all. Each gift stands alongside others to fund the critical work that propels us forward, for example:

Conducting a digital advocacy campaign to connect activists with their legislators on key environmental, climate, and democracy issues.

\$1,000

Featuring engaging educational programs as part of our Friday lunch and learn series on topics that include climate action, land, water, & wildlife, equity & racial justice, and elections & democracy.

\$2,500

Helping pass a priority bill at the State House through providing testimony, meeting with legislators, rallying public support, and implementing strategies with coalition partners.

\$15,000

Running statewide election protection campaigns with coalition partners including Maine ACLU and League of Women's Voters to prevent voter suppression in communities across Maine.

\$25,000

Our Thanks to You

Become an MCV Climate Impact Partner to make a tangible impact on Maine's environment and our climate future while also receiving the following:

- ✓ Invitations to in-person and virtual events.
- ✓ Advocacy and volunteer opportunities that advance climate and democracy action.

- ✓ MCV's quarterly member memo from our executive director.
- ✓ Access to a dedicated MCV staff member to answer your questions and receive your feedback.

Become a Climate Impact Partner with a gift of \$1,000 or more and help secure clean air and water, safe and vibrant communities, and a more equitable future for all.
