EVENING FOR THE ENVIRONMENT

OCTOBER 15, 2026

UNE, Innovation Hall

6:00-8:00 PM

5:30 PM Speaker's Reception

For 24 years, the Evening for the Environment has brought together community advocates, legislators, business leaders, environmental visionaries, and philanthropists to celebrate the bold work done by MCV, MCA, and our allies.

We invite you to be a key sponsor of this year's event as we bring our community together for a night of entertainment and powerful speakers as we celebrate the Maine we love.

As a sponsor, you have the opportunity to showcase your passion for environmental stewardship and come together with our vibrant, deeply engaged community to continue moving forward in pursuit of a healthier state and planet.
